

Eco Stage TOP Battery Par LED

- Power Supply: AC: 100 - 240V, 60/50 Hz
- Power Consumption: 53W
- Light Source: 4 x 10W RGBW 4 in 1
- Average Lifespan: 50000H
- Color: RGBW
- Beam Angle: 7° - 50°
- Dimmer: 0-100% Smooth linear dimming; curve, square rate and inverse square rate curve optional, (16bit)
- Strobe Type: Linear synchronous strobe + asynchronous strobe
- Strobe: 0-20Hz, Linear synchronous strobe
- Control Mode: standard DMX512, automatic and master/slave mode
- Channel: 6/8/12CH
- DMX Mode: Yes
- Tilt angle: 270
- Weight (N.W./G.W.): 5.2KG/6.3KG
- Dimensions: 322 x 284x 136 mm
- Working temperature: -20°- 45°
- Working hour: 6hours full on (8hr auto running)
- Battery warranty time: one year after delivery.
- Charging time: 6hrs
- Battery stock note: power charge around 30~50%. If long term inventory, charge every half year in order to avoid battery damage.
