# FREEDOM SINGLE RIGGER

Start building your light show around the Admiral Single riggers and create a spectacular wall of light for your show. The Single rigger is a simple solution that creates a wonderful effect using length profiles from our Freedom system.

## KEY FEATURES FREEDOM SYSTEM

### **Versatile modular system**

The modular nature of the system allows you to use its basic components to set up a new construction for every occasion.

### **Unique setup**

The different hanging options and numerous length and width combinations allow you to create your one of a kind light show construction.

### **Extendable**

All the Freedom System setups can be further extended either vertically or horizontally.
