

Eco Architectural- Eco Ø127mm

General Information

Integrated design with built-in driver. Die-cast aluminum made, with imported Nano reflective paper. Imported PMMA diffuser with high-transparency quality and high lighting output effect.

Technical Information

- Power Supply: 34V
- Power Consumption: 10W
- Current: LED current 260mA
- Light Source: LumenMax
- Average Lifespan: 35,000h-50,000h
- Color Temperature: 3,000K, 4,000K, 6,000K
- CRI:>80
- Beam Angle: 85°
- Lumen: 750lm
- Working Temperature: -30°c- 40°c
- IP: IP20
- Certificates: CE
- Dimension: Ø127 x 77.5mm
- Punch Dimension: Ø102.5
