

Eco Architectural- Par 30 LED, Short

General Information

Ideal replacement for numerous applications with traditional Par lamps. Dimmable smooth and precise beam control. Better thermal properties for delicate structures.

Technical Information

- Power Consumption: 12.5W
- Light Source: E26/E27 base, LED Par30-S
- Average Lifespan: 25,000h
- Color Temperature: 2700-3000K
- CRI: 85
- Beam Angle: 25°/ 36°
- Dimmer: dimmable
- Lumen: 800-850lm
- Efficacy: 64-68
