

Eco Architectural- Eco 60x60cm KL

General Information

CRI 80 and good lighting uniformity. High visual comfort, UGR>19. Provide wide beam angle of 120°. Luminaries efficiency of >105lm/W. Energy Saving up to 50% compared with CFL in combination with controls. Integrated driver with 1-10V, DALI dimming controller for choice. Easy to install with loop-in/out connector.

Technical Information

- Power Supply: 220V-240V
- Power Consumption: 38W
- Power Factor: >0.9
- Light Source: LED
- Color Temperature: 2,700K, 3,000k, 4,000K, 5,000K
- CRI: 80
- Beam Angle: 120°
- Dimmer: dimmable 1-10V, DALI
- Lumen: 4,000lm
- Certificates: GS, CE, ErP, RoHS
- N.W: 4Kg
- Dimension: L595 x W595mm
